

## Guidelines for electronic application

### Application for

- enrolment and scholarship (via call)
  - o **4+4**: before completion of the Master's degree or with a Master's degree not equivalent to a Danish Master's degree (4-year integrated Master with SU-PhD scholarship)
  - o **5+3**: after completion of a Master's degree
- enrolment only (via ad hoc link)
  - o **5+3**: after completion of a Master's degree. Applying with external funding already granted.

### Hints:

- We recommend that you **print out this guideline** and place it in front of you when completing your application.
- We strongly urge you to **submit your application in good time** before the deadline expires.
- Make sure that all your **appendices are ready and saved as PDF format** before you start filling out the application form. The application form cannot be saved and will timeout if left for longer periods of time.
- **Read the FAQ** (<http://talent.au.dk/phd/arts/questions-and-answers/>) before filling out the application form. The fields in the application form are further described in details in the FAQ in this guideline.

### Note:

- Applicants may only submit **one application per call**.
- The fields marked with a **star \* are mandatory** and you cannot send your application if they are blank ([list of mandatory appendices](#)). The fields marked with (\*) are only mandatory if you start filling out the first field in the section.
- Appendices must be uploaded in **PDF format (black and white, max 20 Mb)**. **Do not lock the PDF files**.
- Appendices must be uploaded under the **correct category**. Assemble the documents and upload them as **one PDF file** if you have more than one document per field.
- The application form **cannot be saved**.
- The Graduate School **does not grant any exemption of the application deadline due to internet and server problems**. The application will be assessed on the basis of the documents received in the application facility by the application deadline.
- You **cannot send appendices after the application deadline**. The only exemption is the Master's degree certificate, see [below](#).
- If you wish to **withdraw** your application you must contact Bettina H. Acthon ([acthon@au.dk](mailto:acthon@au.dk)) at the Graduate School, Arts.

### **PhD degree structure**

The Graduate School, Arts offers two degree programmes. See a description of them on this page: <http://talent.au.dk/phd/arts/phdstudystructure/>

### **PhD programmes**

See a description of the 8 PhD programmes on this page: <http://talent.au.dk/phd/arts/programmes/>

### **Assessment committee**

Please note that the composition of the assessment committee may change. Please consult this page again at a later date:

<http://talent.au.dk/phd/arts/application/assessment-procedure/assessmentcommittees/>

### ***Academic questions relating to the application***

Academic questions relating to the degree programme (including qualifying examinations) should be addressed to the relevant PhD programme director (<http://talent.au.dk/phd/arts/contacts/>)

### ***Technical questions relating to the application***

Technical questions should be addressed to **Bettina H. Acthon** ([acthon@au.dk](mailto:acthon@au.dk)) at the PhD Administration of the Graduate School, Arts.

Academic background

**Name of Education**

Write the name of the education in which you are applying for admission (for example *Bachelor in Information Studies* or *Master in Art History*). See the section [Level](#) below.

**Institution**

Write the English name of the university.

**Level**

Please choose the educational level on which your PhD admission will be based.

[Bachelor \(3 years\)](#): Choose this if you apply for a 4-year enrolment (4+4 scheme) based on a Bachelor's degree and at least one year of a Master's degree.

[Master \(2 years\)](#): Choose this if you apply for a 3-year enrolment (5+3 scheme) and if you have or expect to obtain a Master's degree before enrolling as a PhD student.

See the admission requirements in the FAQ:

<http://talent.au.dk/phd/arts/questions-and-answers/>

**Status**

[Awarded](#): Choose this if you have obtained your Bachelor's degree (4+4) or Master's degree (5+3).

[Expected](#): Choose this if you expect to obtain a Master's degree before enrolling as a PhD student.

[Equivalent qualifications](#): Choose this if you have equivalent qualifications to a Bachelor or Master's degree.

**Date of completion**

The date when you obtained your Bachelor's degree (4+4) or when you have obtained or expect to obtain your Master's degree (5+3).

**Grade point average**

Please enter your grade average calculated and based on the grading scale of your transcript.

**Schedule of outstanding examinations**

4+4:

- **Master's students from other universities than Aarhus:**  
A schedule of outstanding examinations (registered exams incl. ECTS credits) must be attached. The declaration from your university (relevant teacher or person in charge) must state which examinations you are registered for incl. course names and ECTS credits.
- **Master's students already enrolled at Aarhus University:**  
The information will be obtained from the Arts Studies Administration.

5+3:

- **Master's students from other universities than Aarhus:**  
If you have not yet passed your Master's degree you must attach a declaration from your university (relevant teacher or person in charge) stating which examinations you are registered for (course names and ECTS credits) incl. the expected date of submission of Master's thesis.
- **Master's students already enrolled at Aarhus University:**  
The information will be obtained from the Arts Studies Administration.

**Diploma and transcripts of records**

Documentation for qualifying examinations incl. credit transfer, if any. If the attached diplomas/transcript of records are not in one of the main languages (Danish, English, French, German, Norwegian or Swedish), you must attach an authorised English translation of the diploma/transcript of records.

The diplomas (BA and MA) and transcript of records must contain **name of education, duration, courses, marks and ECTS credits** and they must be uploaded as one coherent PDF file. You cannot upload 2 documents in the same field.

Bachelor's degree diploma

- **4+4 and 5+3 applicants:**  
Full Bachelor's degree diploma (*degree statement, list of results, qualification profile and diploma supplement containing a description of the degree programme*) must be uploaded in your application.  
This also applies to students from Aarhus University.

Master's degree diploma

- **4+4 applicants:**  
Transcript of records of one year of Master's degree studies or equivalent qualifications (name of education, duration, courses, marks and ECTS credits).  
This also applies to Master's students already enrolled at Aarhus University.

If your awarded Master's degree is not equivalent to a Danish Master's degree you must upload your full Master's degree diploma (*degree statement, list of results, qualification profile and diploma supplement containing a description of the degree programme*) in your application.

- **5+3 applicants:**  
Full Master's degree diploma (*degree statement, list of results, qualification profile and diploma supplement containing a description of the degree programme*) must be uploaded in your application.

If you have not yet received your Master's degree diploma you must attach a transcript of records of the courses passed on your Master's degree programme containing name of education, duration, courses, marks and ECTS credits.

Both also apply to students from Aarhus University.

*When you have received your Master's degree diploma you must send it as PDF format to Bettina H. Acthon ([acthon@au.dk](mailto:acthon@au.dk)).*

See *Academic background and Admission* in the FAQ for further details about *Schedule of outstanding examinations* and *Diploma and transcripts of records*: <http://talent.au.dk/phd/arts/questions-and-answers/>

### **Language skills**

You must be able to substantiate English proficiency at one of the following levels:

- Qualifying examination (Danish upper secondary school level, "gymnasium") in English at B level, as a minimum
- TOEFL test, IELTS test or CAE

The test results (TOEFL, IELTS or CAE) must be no more than 2 years old. Supporting documentation must be attached.

*We cannot grant an exemption from the requirements.*

*Please see*

<http://talent.au.dk/phd/arts/application/english-test/>

### **Proof of language skills**

Attach supporting documentation of your English proficiency.

### **Additional information**

Are there any special circumstances you wish to inform the Graduate School about?

### **If previous PhD enrolment**

Have you been enrolled or are you at present enrolled as a PhD student?

The estimated duration of the PhD degree programme is 3 years

	<p>of full-time study. If you are already enrolled or have been enrolled as a PhD student you may apply for a credit transfer and reduction of the study period.</p> <p>Please see the section <a href="#">Credit transfer on top of admission level (Months)</a> below under Admission.</p>

Please see the section <a href="#">If previous PhD enrolment</a> above under <i>Academic background</i>.</p>

The application must indicate any other specific activities (form) relevant to the PhD project for which you would like to receive credits, and such credits must not affect the level of the PhD degree programme. Documentation for such activities must be attached. At the same time, you must indicate the extent to which such credits, if granted, will reduce the overall study period. The expected completion date of the degree programme must be indicated.

Credit application form:

<http://talent.au.dk/fileadmin/talent.au.dk/ARTS/phd-merit.doc>

Please upload the form under *Other information to consider*.

**If part time (hours per week and reason)**

**4+4:** Do not apply for the 4+4 scheme

**5+3:** Full-time = 37 hours/week

Part-time = a minimum of 18.5 hours per week. The PhD study is normally a full-time study. In few certain cases the Graduate School allows part-time enrolment.

**If industrial PhD (enter company)**

Enter company and enclose the necessary documentation for external funding under *Financing*, [Proof of financial support](#) below.

See <http://talent.au.dk/phd/arts/industrial-phd-programme/>

**Financing**

**Financing**

The Graduate School will only grant funds for particularly costly equipment, extended study periods abroad, tuition, etc. if the costs have been justified in the application (use our form). *This, however, does not necessarily mean that all costs will be covered by the Graduate School.*

See *Financing* in the FAQ for further details:

<http://talent.au.dk/phd/arts/questions-and-answers/>

Indicative limits for a 3-year study period:

- purchase of equipment, etc.: DKK 20,000
- travel and study periods abroad: DKK 30,000

Expenses:

- *Equipment: Please specify type of equipment.*
- *Study periods: State institution, country, duration and expenses (tuition, travel expenses, rent/hotel etc.).*
- *Other expenses: e.g. processing of the collected materials etc.*

**Form for the expenses exceeding the above limits:**

[http://talent.au.dk/fileadmin/talent.au.dk/ARTS/Rules\\_and\\_forms/Ekstra\\_omkost\\_ans\\_UK.doc](http://talent.au.dk/fileadmin/talent.au.dk/ARTS/Rules_and_forms/Ekstra_omkost_ans_UK.doc)

In the guidelines on how to manage travel expenses you can see what the 30,000 DKK covers:

[http://phd.au.dk/gradschools/arts/rulesandregulations/travelling/guidelines\\_travel\\_expenses/](http://phd.au.dk/gradschools/arts/rulesandregulations/travelling/guidelines_travel_expenses/)

#### **Budget details**

Applicants must attach a budget for the excess amount, cf. the above mentioned amounts.

**Budget form:**

#### **Indicate sources and amounts of possible financial support, if any**

Have you been granted external funding for the particular expenses? Write the name of the company/institution incl. the amount.

-----

#### **Proof of financial support**

**The following attachments are only mandatory if you apply for enrolment with external funding (via the ad hoc link).**

All the documents below must be uploaded as one PDF file under "Proof of financial support"

**Financing details**

Please fill out and upload the form *Financing details*:

**Letter of appropriation**

Please upload the grant letter from the company/institution who has given you the grant. The funding of the entire PhD programme of study must be completely clarified before applying for enrolment.

The grant donor's letter must state the following information in order for the graduate school to take the application into consideration:

- salary (if Aarhus University should be responsible for the payments)
- programme fees
- overhead

Please see this page for the amounts:

<http://talent.au.dk/phd/arts/financing/costs-for-enrolmentscholarship/>

**The project description forming the basis of the given grant**

Please upload the project description sent to the grant donor when you applied for the grant.

## Study

### **Title**

Write the title of your PhD project.

### **Short description**

Max. 1,000 characters – the long project description must be attached.

### **Project description**

The overall project description (excl. list of project literature and timetable) must not exceed 12,000 characters including spaces, footnotes and illustrations (5 A4 pages of 2,400 characters each).

**If the project description exceeds this maximum limit, the application will not be considered.**

*The total number of characters must be specified at the end of the project description.*

*The project description, list of project literature and mandatory timetable must be uploaded as one PDF file as it is not possible to upload more than one document in the same field.*

Form for **mandatory** timetable/PhD plan:

[http://talent.au.dk/fileadmin/talent.au.dk/ARTS/Tidsplan\\_ansoegning.docx](http://talent.au.dk/fileadmin/talent.au.dk/ARTS/Tidsplan_ansoegning.docx)

How to count characters in Word:

The project description must be easy to understand, also for non-specialists, and include:

### 4+4:

- An outline of the field of research that will be the focus of the PhD project as well as a preliminary specification of the subject of the PhD dissertation.

- Grounds for the academic (including interdisciplinary) research field and preliminary considerations, if applicable, regarding methodologies, theories, materials, etc.
- An outline of the schedule/timetable for the PhD project ([separate mandatory form](#)).

**5+3:**

- A description of the work hypothesis/issue on which the project is based.
- An explanation of the material on which the project is based and of the methodologies you plan to use.
- A realistic schedule/timetable for the PhD project ([separate mandatory form](#)).

**Supervisor**

You may suggest a potential supervisor for the consideration of the Graduate School. The head of the Graduate School selects supervisors for the project.

*It is not mandatory to suggest a supervisor.*

**Main supervisor:**

- Must have qualifications at the level of professor, associate professor or senior researcher. Assistant professors cannot act as main supervisor.
- Must be permanently employed at the Faculty of Arts.
- *You only have to write the name of the person and not position, institution and email.*

**Co-supervisor:**

- Can be employed outside the Faculty of Arts.
- *Please fill out name, position, institution (department, university, country) and email.*
