#### **1. Approval of minutes from the last meeting**

#### **2. Academic Councils**

#### **3. Photographer**

- From Juan:
  - Let Juan know about the final day you decide taking a picture, and Juan will call the photographer and set it up
    - What pictures do we want:
      - maybe a picture from a meeting where the situating is “alive”
      - a group photo
      - maybe profile picture in the park
  - Date:
    - Anne will send an e-mail out with the date and people should reply back if they are available - people can join later if it fits them.
  -

#### **4. Status on working groups**

- Events / Courses / Seminars
  - Emma will create sign up link next week for the event in August/September with Constance “Junior Researcher Course in Grantseeking”
  - Venue: M1 (konferencecenteret)
- SoME group
  - problem with getting in at LinkedIn-profile, maybe this will be fixed in this week
- Flyers
  - We should use the flyers and post them at the university
  -

## **5. Upcoming meetings with the faculties**

- both meetings was good
- they want to make an event
- meeting with the pro-dean from BSS on next friday 12 of May from 10.00-11-00
  - Anne will write an e-mail and hear if anyone will join from the board
- General: people from the university are open to meet with us and they want inputs from us. Important that JRA continues further in the future.

## **6. Upcoming newsletter**

- a. Question from Emma: When should the next newsletter be sent out?

- the dates for the upcoming events
- when Emma can have it done
- maybe attached the flyer/ or a link to the flyer
  - write: download the flyer and spread the word

## **7. Other**

- Next meeting: 7 June 16.00-17.00
- on agenda
  - we need to talk about arrangement with people in the academic counsels - should they join any meetings?
